| BCA Student | Interested in Data Analysis | SQL (basics) | Excel

Summary

A **detail-oriented Bachelor of Computer Applications (BCA) student** with hands-on experience in frontend development and a growing interest in **data analysis**. Currently building skills in **Excel and basic SQL** to understand how data can be cleaned, organized, and analyzed. Comfortable working in team environments and meeting deadlines, with a strong willingness to learn and apply new concepts. Looking for an apprenticeship opportunity to gain practical experience in a data-focused role.

Skills

Data Analysis & Reporting Tools: MS Excel (Pivot Tables, VLOOKUP, IF, Data Cleaning, Basic Reporting), SQL (basic: SELECT, WHERE, GROUP BY)

Languages & Libraries: Python, React.js, JavaScript, HTML, CSS, Tailwind CSS

Tools: Git, GitHub

Soft Skills: Problem-Solving, Adaptability, Communication, Teamwork, Analytical Thinking

Work History

UptoSkills	June 2025 – Sept 2025
<i>Frontend Development Intern</i>	<i>Remote</i>
- Worked on building and improving 12+ application features/components using React and JavaScript - Collaborated with 5+ team members using Git/GitHub and completed assigned tasks within sprint timelines - Gained understanding of how data is stored, managed, and used within real-world applications	

Personal Project

Student–Teacher Dashboard (EduSphere)

- Built a dashboard to manage **3+ types of student data** (attendance, assignments, results)
- Implemented **6+ basic data operations (CRUD)** using JavaScript and LocalStorage
- Worked with structured data and developed a simple interface using React.js for usability

HR Analytics Dashboard (Excel – Practice Project)

- Worked with a dataset of **1000+ employee records** to understand basic data analysis
- Used **Pivot Tables and Excel functions (IF, VLOOKUP)** to explore department-wise trends
- Performed **data cleaning and basic reporting**, improving clarity and organization of data

Education

Management Education and research Institute (MERI) GGSIPU University	Sep 2023 – July 2026
<i>Bachelor of Computer Application (BCA)</i>	<i>Janakpuri, Delhi</i>

Training and Coursework

- Python
- Advanced Excel
- Basic Data Analysis

Achievements

- Intern of the Month – UptoSkills**
Awarded for consistent performance, meeting **100% deadlines**, and delivering **high-quality UI components** during the internship and assisted in coordinating tasks within a team of 10+ members.
